# Kährs®

**Aware Collection**  
Luxury PVC-Free Click Flooring

[Learn More](#)

The new Aware Collection is produced from natural, bio-based materials consisting of natural and recycled fibers from the textile industry, recycled wood and cork, which has enabled a certification by the Nordic Swan Ecolabel—one of the strictest environmental labels on the market.

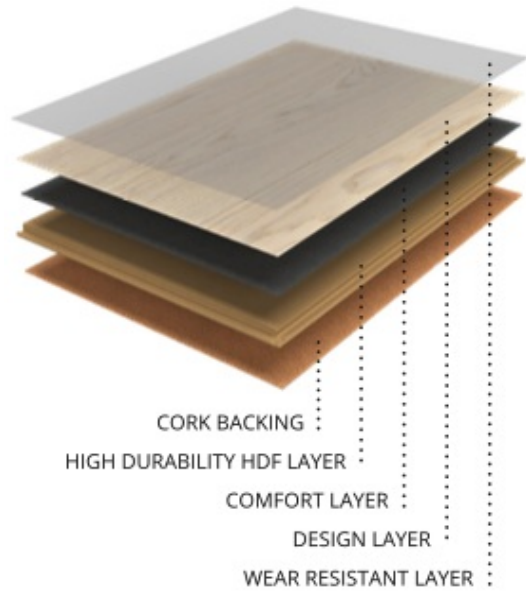

Aware is designed to withstand the wear and tear of commercial applications, while offering the style, beauty, and feel of a wood floor. With colors inspired by national parks around the world, the collection features a range of 9 different, rustic wood design planks.
